

MT. PENN FIRE/RESCUE UNIFORM SPECIFICATIONS

SCOPE: To define uniform levels for all department personnel.

OBJECTIVE: To provide a distinct identity to the company and its members. All truck crew members should wear a class C or D uniform when in the station for any reason other than an emergency call. Uniforms show pride in your company.

- I. Class A uniform shall include:
 - A. Bell crown hat with hat badge and lace band.
 - B. Elbeco navy blue, double breasted peak lapel coat with no pockets, badge tab on left breast, company patch centered and ½” from top seam on left sleeve, gold or silver buttons, “hash mark(s)” and wrist stripe(s).
 - C. Elbeco long sleeve white or blue uniform shirt with company patch centered and ½” from top seam on left sleeve and U.S. flag with field facing front centered and ½” from top seam on right sleeve.
 - D. Nametag on shirt above right pocket flap.
 - E. Appropriate collar brass and shirt badge
 - F. Solid black uniform tie
 - G. Navy blue dress pants with appropriate color seam stripe.
 - H. Black web belt with appropriate color buckle.
 - I. Solid black socks
 - J. Solid black shoes

- II Class B uniform shall include
 - A. Class A uniform shirt with appropriate devices and insignia, long or short sleeve depending on the season.
 - B. Solid black uniform tie at discretion of OIC.
 - C. Dark blue Dickies 65/35 poly/cotton plain front twill pants.
 - D. Black web belt with appropriate color buckle.
 - E. Solid black shoes
 - F. Solid black socks

- III Class C uniform shall include
 - A. Class B uniform pants
 - B. Dark blue Dickies work shirt, long or short sleeve with company patch and U.S. flag sewn on as per class A specifications, other patches as desired.
 - C. Decent shoes or work boots.

- IV Class D uniform shall include
 - A. Class B uniform pants
 - B. Mt. Penn Fire Company t-shirt or sweatshirt.

041002

See page 2 for specific guidelines and item numbers for uniforms.
